BIO: Club/hip hop/electro/mashup/turntableism/drummer

For nearly a decade, Brandon Noone, a.k.a. "DJ Highnoone" has been mixing some of the most paramount mixes to hit the Midwest - and he is comparatively one of the best in the area. He plays an amazingly eclectic mix of music and beats of yesterday and today and it is obvious that Highnoone does his homework. He spins with the greatest of ease and the swarm of club goers only reflects his ability as a true mix master. Under his belt, Highnoone carries an array of experience. He has worked as the **official DJ for Kansas City's MLS soccer team, the KC Wizards** and held a two-and-a-half year sponsorship from Go Fast Energy Drink. Highnoone also earned the opportunity to **DJ for Two of MTV's "True Life Stories" parties**. Noone has been a resident DJ all over the Kansas City area, including clubs like Blonde, Raoul's Velvet Room, Mosaic and one80. He also holds down a resident spot at Club Indigo in Wichita, Kansas for 2+ Yrs and at the Kathouse Lounge in Manhattan, Kansas. His borders do not stop in Kansas or Missouri. **He appears nationwide** as a guest DJ, more recently in: San Diego, California, Denver, Colorado, Des Moines, Iowa, Scottsdale, Arizona, Albuquerque New Mexico and Seattle, Washington. In many such cases, Noone has had the opportunity to share the stage with numerous top DJ's such as DJ's Scene, Fashion, Scooter, OB1, Nathan Scott, Dj 2nd Nature, Sean Perry and many more. With these influences and a vast spectrum of experience, it is no wonder that DJ Highnoone has quickly become one of KC's top turntabalists and one of the most sought after Djs in the Midwest. **Highnoone aims to please and will not disappoint.** DJ Highnoone is ready to bring his innovative sound and style to your city, So get ready for a show you won't forget..
